

The *GOL Evangelism Soccer Ball* is a wonderful tool used by Christians around the world to tell people (especially children & teens) the Good News of Jesus Christ.

Here's how it works:

- Bring out the ball and start kicking it around.
- Soon you will attract a crowd.
- Then you pick up the ball asking if anyone has seen a soccer ball like this one.
- At that point, you begin to explain the meaning of the colors. (Each color represents a different aspect of the Gospel story, just like a Wordless Book.)
- Many times these soccer balls are used in conjunction with showings of the *JESUS Film*.
- So you could also invite the interested crowd to come back that night to watch the movie on the life of Christ.

Jesus Film Harvest Partners and other Nazarene Church entities are attempting to purchase 10,000 of these *GOL Evangelism Balls* to be distributed around the world in 2010 at soccer camps.

The children of the Church of the Nazarene have set a goal of purchasing at least 500 of these balls. Would you like to help? Each ball costs only \$10. Just think how many people will hear the life-changing message of Jesus Christ through one game with the *GOL Evangelism Soccer Ball!*
