JESUS Film Harvest Partners  
2020 Impact Report

# Thank You

**Our work would not be possible without your commitment and generosity. 2020 presented many obstacles, but we look back and see much to praise God for.**

God has been faithful. Though the COVID-19 pandemic continues to disrupt the lives of billions around the world, JESUS Film teams have shown that, more than ever, they are committed to the vision to give every person an opportunity to hear about Jesus Christ.

When people's hearts are clouded by bleak and hopeless circumstances, teams step into the darkness with them and stream the light of Jesus. We pray you are encouraged by these remarkable stories and results.

Thank you again for your continued support of JESUS Film Harvest Partners.

# My very dear partners,

It is from the bottom of my heart that I write these words to express my great gratitude for all you do for the glory of our God.

The result of this evangelism tool is immense and unfathomable.

*Thanks to your support and help, many women, men and children are saved and disciplined.* We always remain in prayer for you. May God bless you and give you more means.

*Together we can succeed in the work of redemption* that the Lord entrusted to us – to go everywhere and make disciples in the image of Christ!

## A GOSPEL SPRINGBOARD

**It has been a busy year.** The coronavirus pandemic led us to adapt our ministry strategies. It has actually allowed us to find new ideas for sharing the gospel, and served as a springboard to win new souls.

We were trained by the government health department on how to prevent the virus. We presented our knowledge and raised COVID-19 awareness before each screening of the film. **This made it possible to multiply the number of showings by three!**

We have exercised compassion by distributing masks, soap, hand

sanitizer, and other items to those in need. People see the church as a refuge.

We have also helped build temporary shelters for new Christians to gather. After showings, our emphasis has been on discipleship using orality tools, which is ongoing.

**The JESUS film material is a strong tool that helps win souls to Christ.** We thank the Lord for these resources which allow us to be where people need us.

# You Reaped Fruit

Reborn

Due to a leadership crisis, a church in Caacupemi, Paraguay was forced to close its doors in 2007. However, they celebrated their reopening service last November, thanks to the effort and impact of Paraguay JESUS Film team #8. **God's Kingdom continues to produce fruit from the hard soil of the pandemic!**

Paraguay team #8 is contributing to a district initiative called Reborn, which

effective vaccine!

focuses on reactivating closed churches and creating new church plants.

About 50 youth recently joined the team for a day of service to their community. Believers united to proclaim the gospel, **a spiritual wake-up call informing the neighborhood there is once again an active church in the area.** Participants evangelized at homes around the neighborhood, using face masks and hand sanitizer for protection.

These youth used the EvangeCube and colors of the EvangeBracelet in the JESUS Film equipment set to present the steps of salvation.

Yoan, the Paraguay JESUS Film Country Coordinator, explained, "We preached the good news — the only hope humanity has for salvation was brought to the world through Christ. Jesus is our effective vaccine!"
