

JFHP Partner Engagement Trip

BRAZIL

May 1-10, 2027

Experience the ministry of JESUS Film Harvest Partners in the heart of the Amazon Jungle!

Serving alongside Development Officer **Darrell Leber**, you'll travel by boat to multiple villages along the Amazon river. In these villages you'll have the opportunity to help evangelize to the local people, disciple new believers, and assist in church-planting efforts.

This trip is for those with a true adventurous spirit! You'll spend 8 days living on a boat with hammocks or floor mattresses for sleeping in a shared space. There will be a small kitchen and 2 bathrooms with showers for your use.
