

BRINGING LIGHT TO THE LOST

To see every person encounter Jesus Christ, grow as His disciple, and belong to a local church

WHO IS JFHP:

JESUS Film Harvest Partners (JFHP) helps people invest their time, influence, money, and expertise into the global Kingdom-building ministry. We equip and support global teams of local people to do evangelism, discipleship, and church planting through the *JESUS* film and other tools.

956 JESUS FILM TEAMS — WORKING IN 72 COUNTRIES

THE IMPACT:

Every month, JFHP receives nearly 1,000 stories of new faith, miracles, and transformed lives from teams around the world — showing God's power to heal, restore, and change lives around the world. The following is just one example:

"My name is Jeremias and I had a drug problem. I went to see the JESUS film, and I felt very bad for my sins. In the end I stood up and received Jesus as my personal Savior. I now attend the discipleship class. Please pray for me."
