Ripple Effect:

When Jesus shows up, transformation happens

Personal Message of Thanks

Dear Harvest Partners,

Like ripples that radiate from a rock thrown into a pond, when Jesus shows up in someone's life, inner transformation is not the only thing that happens. The impact of Christ in one's life will...

Ripple - through their family,
 Ripple - through their community,
 Ripple - through their country.

Ripple - an addiction will be overcome,
 Ripple - a broken family will be reunited,
 Ripple - hope will be instilled in a community.

You have helped make it possible for JESUS Film teams to facilitate these life-changing ripples of Christ by using the JESUS Film and other evangelism tools.

Thank you for making 2015 a year of impact, inner life transformation and outward ripples of God's love. Just imagine, through your continued partnership, the ripples that are still to come in 2016.

You are loved.

Brian Helstrom
 Executive Director

It is always a blessing to see our partners in action as they create ways to raise money so Jesus can change more lives through JESUS Film teams.

We want to say “thank you” to our dear friends and partners at Hutchinson First Church of the Nazarene in Hutchinson, KS! These hearty souls sponsored a 5K Fun Run in October called the *Amazing Race*.

We say hearty, because the weather on race day was 52 degrees with no sun in sight and an unexpected persistent wind.

After the race, it was off to the church’s Annual Missions Gala and festive indoor picnic lunch.

Each participant made a donation towards the purchase of a JESUS Film backpack and in return got a t-shirt, a JESUS Film DVD, and the chance to run through the beautiful scenery of the *Highlands Golf Course* in Hutchinson. Generous

corporate sponsors participated and contributed to the event as well.

Praise God -- the 63 runners **raised over \$2,000** for a mini solar set. This set is now being used for many JESUS Film showings where people come forward and make a decision for Christ.

Thank you for helping to transform more lives! As JFHP Ambassador and race organizer Kelly Love said, “We are so thankful for all the participants and the sponsors in their generosity so we can help spread the Word and love of Jesus Christ.”

Life Trajectory Changed

“I did not want to be an abused wife,” said 26-year-old Sedo in Togo.

“As a child, I lived with my uncle who harshly abused his wife. It was then I decided I would never marry when I grew up. I did not want to be mistreated by a man. Instead I became a prostitute and experienced a different kind of abuse.

Tonight, my life changed while watching the JESUS Film; I have hope for a new existence! The Lord has changed me all the way through! Someday I will marry. I will have a church wedding. My husband and I will serve Jesus together.

Thank you for helping me see the future the Lord has in store for me.”

A Harvest Partner shared his testimony with Executive Director Brian Helstrom in a letter explaining how he was able to promote JESUS Film Harvest Partners. It all started with a truck:

Dear Brian,

Just a note to reconfirm my commitment to JFHP and to report results from a meeting earlier today.

My truck needed basic T.L.C. so I left it in a local garage this morning and expected to pick it up early afternoon. When I returned to get the truck, it was not ready.

I had a conversation with the owner/mechanic who is a "tent maker pastor" of a small church. I told him again about

*Harvest Partners and the Return on Investment (ROI) evaluation we recently received.**

He was touched by my testimony and by the Holy Spirit for he pulled out his wallet, emptied it, and gave me \$21.

It is not much money, but it is Holy. I'm sending the actual money he gave me. My hope, prayers, and heart accompany it. God bless you as we co-labor.

Thanks to all the Harvest Partners who promote the JESUS Film ministry by word-of-mouth and other creative means. You make it possible for people like the prisoners on the following page to hear and respond to the gospel.

*ROI evaluation mentioned in letter refers to JFHP's historical Return on Investment. Based on historical ministry averages, for every \$3 given, someone has made a decision for Christ.

"I was afraid when the prisoner grabbed my arm," said a JESUS Film team member in Brazil.

Using God's tools, we showed *'From the Dark'* in the prison. The inmates found it easy to relate to the life of crime, committed by Felix Vargas prior to coming to Christ, shown in the film. When we invited the inmates to pray the prayer of salvation, eight quickly responded! Several others stood back watching.

As we prepared to leave, I was startled when an inmate grabbed my arm and asked me to pray for him. We stopped immediately and prayed with this man seeking to know the hope of our living God!

When we finished he said, 'When I get out of here, I want to go to your church.'

We praised God!"

SUPPORTING JESUS FILM TEAMS (Allocations)

What you give to JFHP supports the JESUS Film teams in their ministry efforts —from evangelism to discipleship and church planting.

GIVING NEEDED EQUIPMENT (Field Equipment, Overseas Shipping, Discipleship)

Your support provides the proper materials and equipment to JESUS Film teams. These tools allow front-line workers to share Christ, expanding the ripple effect from village to village throughout the country. We're excited to report this equipment is getting lighter and brighter, allowing us to go further and faster each year.

CAPACITY BUILDING (Partner Trips, Meetings, Events)

By praying, giving, and going, you build capacity with both donors and field personnel —training, inspiring, and strategizing for Kingdom growth.

AUXILIARY ITEMS (Employee Salaries, Utilities, Web Page, etc.)

From a warehouse that stores equipment to be sent to the field, to a website that offers online resources to field personnel; these expenditures provide the vital infrastructure of the ministry.

YOU SAVED THE MINISTRY MILLIONS

Through volunteerism, Harvest Partners save the ministry \$8.85 million dollars! When Harvest Partners volunteer to deliver equipment, or volunteer their skills helping in the office or on the field, expenses are minimized, allowing more resources to be dedicated to the ministry.

FUNCTIONAL EXPENSES PERCENTAGE

¹ JFHP fiscal year is October 1st to September 30th.

² In accordance with Statement of Financial Accounting Standards No. 116, non-cash contributed services & travel is both income & expense which net to a zero cash impact. Contributed services require specialized skill, would otherwise have been purchased & have been recorded at their estimated fair market value of \$7,521,392. Contributed travel related expenses have been recorded at their estimated fair market value of \$1,330,891. Additional volunteer services with a market value of \$1,948,590 were received, but do not meet the criteria of SFAS No. 116 & are not included in the financial statement above.
